guide to accessing movies using

## KANOPY

1. Download the Kanopy app from your app store.
2. Tap the orange **Get Started** button to begin the sign up process.
3. Tap **Find Library** and look for Free Library of Northampton Township. Note: you may need to allow the Kanopy app to access your location. Tap **Allow While Using App** if this is the case.
4. When the map loads, tap **Free Library of Northampton Township** and then tap the orange **Select This Library** button.

5. Next you will create your account. Type in your library card and tap **Next**. Note: if you do not live in Northampton Township, you will not be able to access Kanopy!
6. Once your library card number has been verified, you will need to add an email address and a password to your account. After you have entered this information, tap **Sign Up**. Note: You may also use your Google or Facebook account to sign up for Kanopy.
7. After you tap **Sign Up** you will automatically be logged into the Kanopy App. From here, you may browse and watch up to **TEN** items each month! To watch a movie, simply tap on the title you wish to view, and press play!
