Teen Book Review

Library Teen Advisory Board members can earn community service hours by reviewing teen books! To become a teen reviewer and **earn three community service hours per month**, come in and check out one of our YA New Teen Books and write a brief review. Please remember that the books in the YA Fiction section cover a wide range of ages and vary in content and maturity level.

Please follow the following guidelines:

- Your review must be based on a book from The Free Library of Northampton Township YA Fiction section (preferably published in the last 2 years). Please **NO REQUIRED BOOKS FOR SCHOOL!** (That includes books required for high school English classes). We really need reviews on books that teens read on their free time! 😊
- Review should be a minimum of 200 words but no longer than 300 words. The review should summarize the content of the book, giving enough details to make someone want to read the book.
- You can include information about the setting, characters, plot and writing style. Will the book appeal to a teen audience?
- Reviews must be original work by the reviewer (Please no plagiarized reviews!) Check your work for spelling and grammar. Reviews may be subject to editing for space and content.
- Attach to your review:
 - Your name
 - Email address
 - Grade
 - Author and title of the book
 - Rating (on a scale of 1 lowest to 5 highest)
- Submit your review via email to elkos@buckslib.org.
- Accepted reviews may be posted on our website!
